CCCA (CO-ORDINATING CAT COUNCIL OF AUSTRALIA) AWARDS

All titled cats as per the above class table, are entitled to automatic free entry into this class. Only one CCCA Award is awarded to a male and female cat and neuter in groups 1, 2 & 3 in each show ring. Ten CCCA awards are required for a cat to be awarded the national title of CCCA CH and a further ten for CCCA GCH etc.

JUNIOR EXHIBITOR (JE)

Junior Exhibitor is a free class for exhibitors who are 8 years of age and under 16 years of age at the beginning of the show season. The cat/kitten does not have to be registered in the name of the JE but the JE would normally live in the same household and be responsible for the care of the cat/kitten and only one (1) cat may be entered by each Junior Exhibitor. All exhibits in the JE class will be judged together, irrespective of whether the cat is a pedigree or not. To be eligible all cats in the Junior Exhibitor class must also be entered in their main competitive class. Junior Exhibitors are issued with their own vetting slip which should be endorsed Junior Exhibitor. The exhibit must be vetted in, benched and cared for by the Junior Exhibitor throughout the day.

END OF YEAR AWARDS

Points will be awarded towards the End of Year Awards from the first FASA show each year and can be accrued throughout the current show year.

To be eligible for the FASA End Of Year Awards, exhibits (cats) must be shown for a minimum of 3 shows throughout the season once they have qualified to earn points.

Points for FASA End Of Year Awards will only be counted for FASA registered cats and kittens and FASA members. These points will only accrue from the date the FASA registration and membership take effect.

AGRESSIVE CATS/KITTENS

Duty of Care - The show committee reserves the right not to accept any entry for competition that is deemed in the opinion of the show committee or a judge to be aggressive.

6. **Fractious (FRAC):** Where a cat is stressed but does not scratch or bite anyone. The cat can be handled, but not comfortably. If it happens in the first ring, the next judge is to be advised and the decision to judge or not left with him/her. However, the steward must record this by completing a FASA Incident Report. Three (3) recorded offences will mean the cat must be rested for three (3) calendar months. If a cat is rested and then re-offends once, it will not be permitted to be shown again.
7. **Unable to be judged (UTJ):** the cat is unable to be taken from the cage. It is not to be judged in any other ring that day and the steward must record this by completing a FASA Incident Report. It may be entered in the next show, but if this occurs again, at that or subsequent shows, then the cat is to be rested for three (3) calendar months. If a cat is rested and then re-offends once, it will not be permitted to be shown again.
8. **Unable to be handled (UTH):** deliberate biting or attacking of a judge, steward or veterinarian. No further judging or showing of this cat will take place. The steward must record this by completing a FASA Incident Report. The cat will be banned from showing for life. CCCA and GCCFSA will be notified of this decision in writing by the FASA secretary. The owner must be notified in writing and no appeal will be considered. This is for reasons of insurance as well as the cat's welfare.
