## **KURT VLACH**

**(Vienna, Austria)**

TICA Approved All breeds Judge and Judge of Merit / Distinguished Judge, from Vienna, Austria, is another exciting Judge for the Fancy Felines SA Show.

Kurt is Judging all Exhibits for Groups, 1, 2 and 3 and Companions.

First of all, I would like to express how grateful I am that your club provided me the opportunity to come back to Australia – every time I felt that this is a privilege, and I came home with a lot of fond memories (and a lot of bottles of wine) from the trips. I am sure it will be the same this time!

I was born in Vienna, Austria and lived in this beautiful city ever since. I am married to Tomoko – and if you meet her at this show you will know exactly why I fell in love with this Japanese girl ❤️

I am retired since October 2024, before I worked for one of the largest European Bank Groups for more than 30 years. Concerning my “cat-life” – As my mother and sister were allergic to cats, I couldn't have some until I finally moved out – but just two months later to lovely Companion Cats enriched my life.

My first pedigreed cat was a Maine Coon, and I bred this lovely breed from 1992 – 2001. I also had a litter of Siamese/Oriental Shorthairs (the grandfather of my stud came from Australia). Later, when Tomoko and I moved together, we had Companion Cats, a Tonkinese, Burmese and a Bengal. Right now, we show in TICA a desexed black & white Cornish Rex and a desexed red sepia Burmese and a chocolate spotted Oriental Shorthair female.

I am an Approved All breed Judge in TICA since 1999 and a Ring- and School Instructor. Furthermore, I am the Regional Director of Southern Europe and represent members of more than 20 countries as a TICA Board Member.

Other hobbies I have – Wine (Tomoko and I produce a Gold-Medal winning White Wine in Vienna), Siamese Fighting Fish (we breed those and are also International Betta-Fish-Judges), Music (I have an extensive LP- and CD collection), Art – well, the beautiful and good things in life!

I often get asked what my favourite breed is – difficult, but finally I stay with the Companion Cats. It is always emotional for me to handle cats which very often have been given a second chance to live... Other than that, I refer to a teaching of one of my mentors – “Try to find three things in every cat which makes it outstanding compared to all other ones”. I think that cats feel it if you approach them with a positive mind – and they give back their love.

So – enjoy this show and thank you for supporting this club with your entries.

## **TOMOKO VLACH**

**(Vienna, Austria)**

I am Tomoko and I was born in Yokohama/Japan.

I lived many years in Nagoya before I moved to Vienna/Austria 2009 when I married Kurt.

I started in the cat-fancy because my aunt was the Secretary of the oldest cat club in Japan, the “All Japan Cat Club” in Nagoya. She was also the first breeder of Siamese and Oriental Shorthairs in Japan! So, I also bred Siamese and Orientals but always had Companion Cats and also a Persian (which I needed when I was studying

to become a TICA Judge).

This year it is now 25 years that I am a Judge in TICA. When I moved to Austria, I had with me two red tabby Household Pets (which I had found in a box in front of a supermarket as tiny kittens) and an old Oriental Shorthair. All of them are not with me anymore, but since then Kurt and I had Bengals, Tonkinese, Burmese and more Household Pets (which we adopted at cat-shows all over Europe). Right now, we own a Cornish Rex, a Burmese and an Oriental Shorthair.

We don't have time to breed cats, but we breed Siamese Fighting fish (Betta Splendens) and we even became International Fish-Judges!!! Right now, I work as a chef in a Japanese Restaurant in Vienna (and I am happy that I can speak Japanese all day long!!!). I have been in Australia before, and it was always so exciting! I love the cats there and the friendly people and the Australian wines.

It is the first time for me to judge for this club – thank you so much for the invitation and I hope that you will be happy with my judging!!
